Training Information

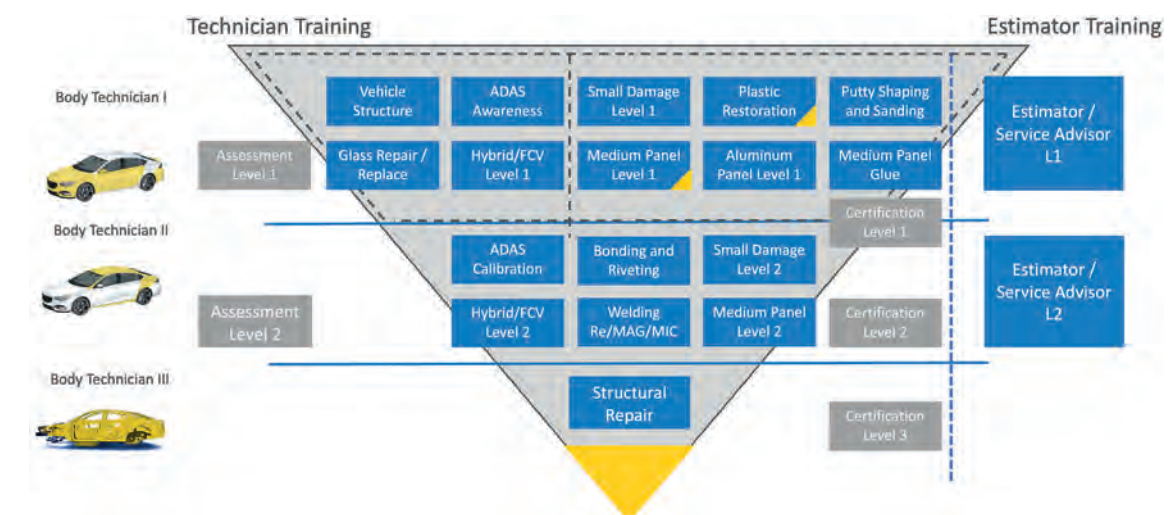

Effective Training

BETAG offers a comprehensive body repair training and development program suitable for estimators and technicians of all experience levels.

Training Objectives

Developing the knowledge & skills of estimators and technicians with effective training delivers fast, measurable operational and financial performance improvements.

Estimation & Technician Training Program

Business Benefits Include:

- ▲ Increasing productivity of technicians.
- ▲ Improving repair/replace ratio - to increase gross profit & bottom line performance.
- ▲ Improving overall quality of repairs and reducing re-works.
- ▲ Increasing 'Touch Time' and reducing 'Key to Key' times.
- ▲ Utilizing ROI from improving the non-structural repair process to invest in training and equipment for more capital-intensive structural repairs.

eLearning

BETAG has developed a range of eModules and live streamed eClasses to support its in person, instructor led training courses.

Used in combination, these three learning formats enable OEMs and repairers to cost effectively assess, develop and maintain estimators' and technicians' knowledge & skills without compromise to learning objectives.

This is achieved by:

- Enhancing knowledge retention and embedding behaviour change, by creating an easily accessible resource library that estimators and technicians can continue to access after completion of training.
- Minimizing loss of workshop productivity by enabling estimators and technicians to complete some learning elements remotely before attending in person training.
- Reducing associated travel and subsistence costs.

For more information about our training program and to find a course near you, please visit [betaginnovation.com / betagnorthamerica.com](http://betaginnovation.com/betagnorthamerica.com).

“BETAG’s training has been one of the most impactful things I’ve seen at the production level”

Ed Dietz
Lefler Collision & Glass, IN

“BETAG’s hands on training has broadened our technician’s perspective of how to repair metal. And the aluminum training was a game changer.”

Dan Koenigsberg
Anderson Body Shop, MD

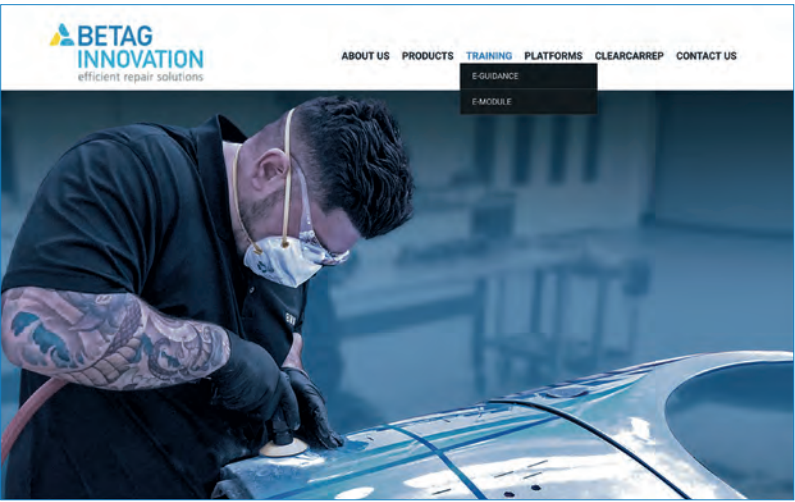

eModule

To access our training programs simple go to our eModule platform betaginnovation.com.

And in 2 simple steps you are in the middle of our learning environment.

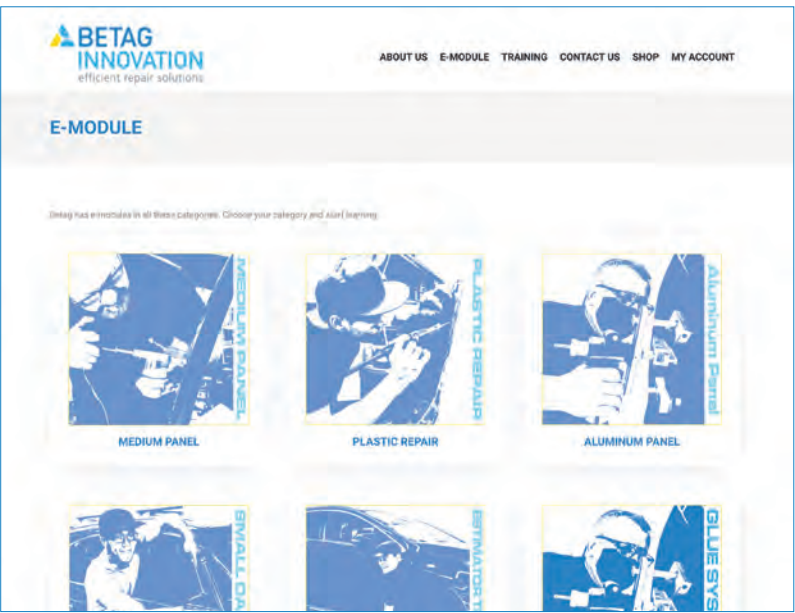

Step 1

Go to training and select eModule.

Step 2

Here you can choose the eModule that you are interested in.

Flatliner

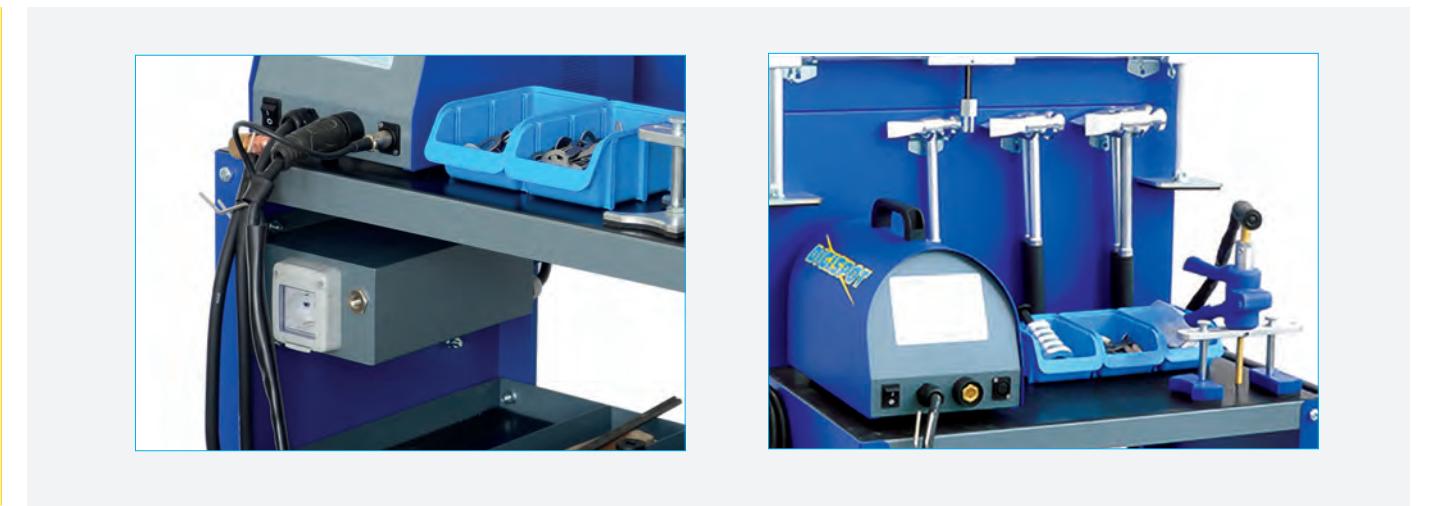

Flatliner Full Set (5000)

Flatliner Business (5004)

Flatliner - Step by Step

Slimliner

Slimliner Version A (5080)

- Slim Trolley
- Digispot
- Sliding Hammer

- Speed Puller
- 3 Hammers
- Dentliner Bridge

- 3 Pulling Bars
- 1 Bag of Bits
- 8m Cable

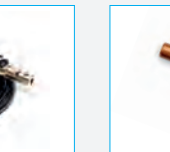

Slimliner Version B (5085)

- Slim Trolley
- Digispot
- Sliding Hammer

- Dentliner Bridge
- 3 Pulling Bars
- 1 Bag of Bits

- 8m Cable
- Bit Welding Adaptor

Welders

Digispot (5191)

- Functions**
- Automatic and Manual Modes
 - Ground Welding
 - Carbon Shrinking

Digispot Complete (5100)

Digispot with Trolley (5105)

S-Spot Set (5950)

S-Bridge Set (5980)

Flatliner Repair Examples

Components & Parts

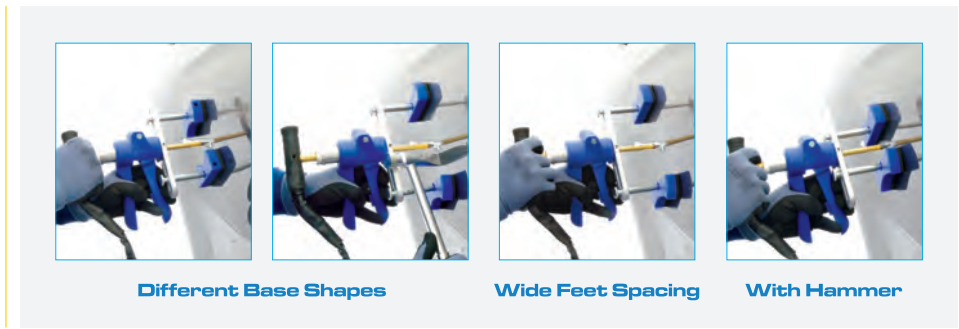

Flatliner Bridges

Speed Puller (5640)

Puller Application

Hand Tool Application

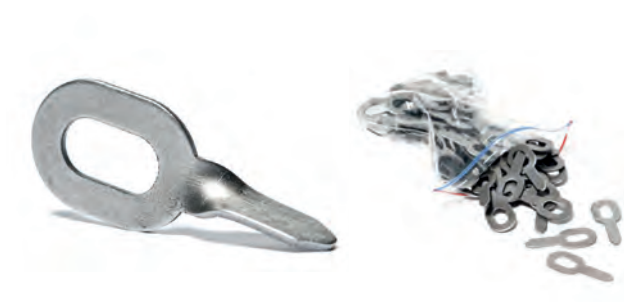

Precise Adjustable Height

Welding Bits - Straight (5700)

Welding Bits - Twisted (5710)

Hammer Set (5800)

Sml V Hammer (5840) Lge V Hammer (5810)
Med V Hammer (5830) Lge H Hammer (5820)
Med H Hammer (5850)

Pulling Bars (5905)

3 Different Lengths - with and without Hooks

Sliding Hammer (5110)

Accessories

Bit Dispenser (5750)

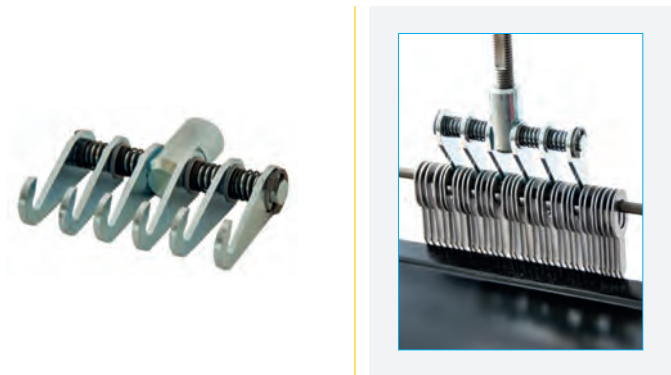

- Easily Loadable
- 30 Bit Capacity
- Used with the Innopuller or Sliding Hammer

Flatline Maker (5140)

Flatliner Claw (5898)

Bodyline Marker (5141)

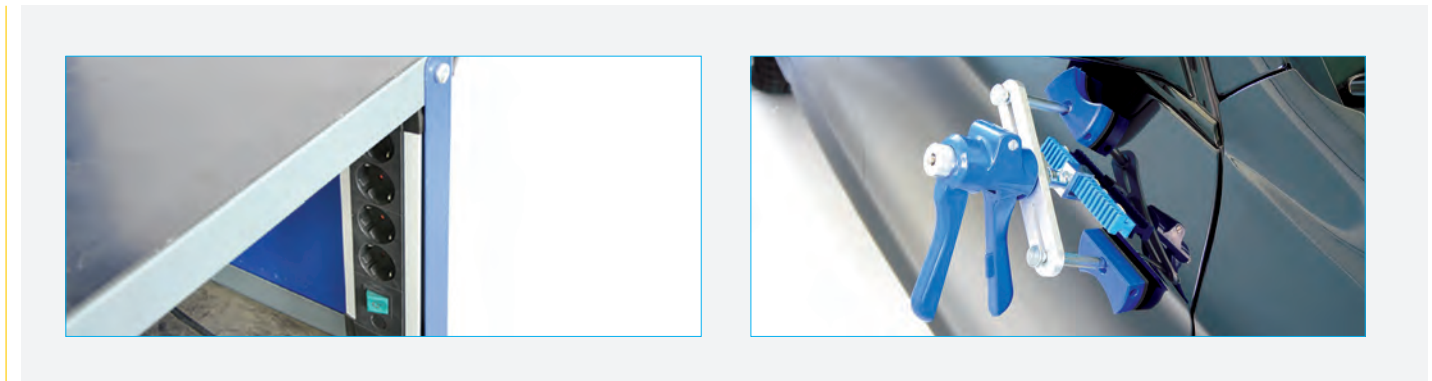

Bit Sharpener (5143)

Aluminum Repair

Alu Flatliner (6120)

Aluminum Repair

Alu Slimliner A (6126)

- Slim Trolley
- Alumet
- Dentliner
- 3 Pulling Bars
- Alu Pulling Elements Set
- 3 Hammers
- Speedline Set

Alumet (6020)

Alumet with Trolley (6128)

Alu T-Hotbox (3710)

- Alu T-Hotbox
- Alu Heat Pen T
- Cable

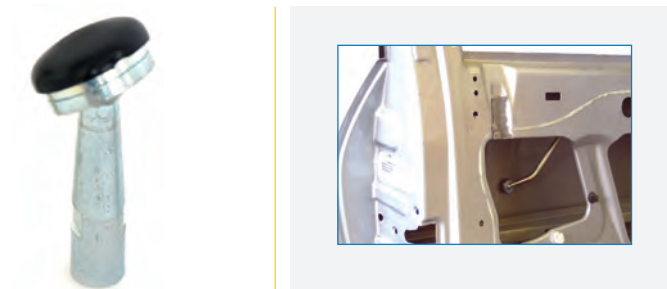

Aluminum Repair

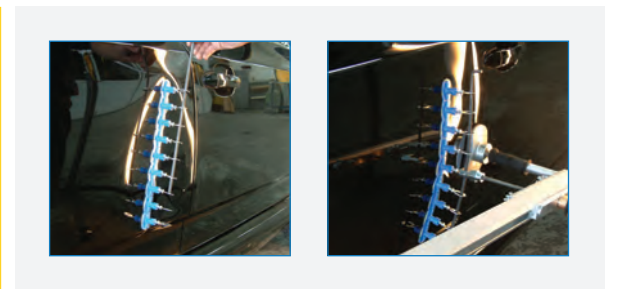

Stud Welding (Alumet)

Pre-Push

Glue System

Spare Parts

 Welding Tip Sliding Hammer (5111)	 Shrinking Tip Sliding Hammer (5112)	 Carbon Stick (5113)	 Coupling for Carbon Stick (5115)	 Bit Welding Adaptor Sliding Hammer (5117)	 Alu Pulling Element Set (6007)	 Alu Pulling Element Round (6008)	 Two Speed Grinder (10431)	 Two Speed Grinder w/Roloc (10437)	 Replacement Sander Pad - Velcro (10435)
