**WARNING / CHARGING INSTRUCTION / BATTERY TIPS**

- Avoid looking directly into the beam of light, as this will result in dazzling
- Do not use the lamp near a naked flame
- Before using the lamp for the first time, the battery must be fully charged
- Please use the charger equipped with the lamp
- Please do not use a modified or damaged charger
- Recharge frequently
- Please do not leave the lamp be in charging over 24 hours
- Always replace the battery with an original battery
- Do not leave the battery without charge for an extended period
- Deep discharge risks damaging the battery
- The light source of this lamp is not replaceable; when the light source reaches its end of life the whole lamp shall be replaced

**CLEANING**

Do not use solvents, corrosive cleaners or the like. Use a dry or slightly moist cloth for cleaning ONLY.

Waste electrical products should not be disposed of together with household waste. Please recycle where designated facilities exist. Check with your local authority or retailer for recycling advice.

- The battery must be removed from the appliance before it is scrapped.
- The appliance must be disconnected from the main power supply when removing the battery.
- The battery must be disposed of safely.

## **WARRANTY**

We do not take responsibility for any damage caused by misuse or any use that is not in compliance with the safety standards described herein.

## **CUSTOMER SERVICES**

Contact your local importer or your specialized dealer to obtain address of our service department.
